14 Notes on Participation

(1) Clothing

The competition rules of the International Shooting Sport Federation (ISSF) and World Shooting Para Sport (WSPS) shall apply.

(2) Competition equipment, etc.

① Rules and regulations

[Firearms and ammunition]

- Domestic athletes must prepare firearms and ammunition.
- Domestic athletes must carry the gun possession permit, the membership card of the National Rifle Association of Japan and shooter notebook.

- Overseas nationals must follow the procedures specified by the organising committee of the Games which include a permit of possession of firearms and importing and exporting their firearm, transfer • storage • purchase of ammunition while they stay in Japan.
- Firearms of overseas nationals need to be imported and exported when they arrive in and depart from a country. They cannot leave their own gun with another person.
- The maximum number of firearms you can bring from abroad is two only. This also applies to those participating in multiple events. It is prohibited to bring extra guns. You cannot bring the firearm other than you have registered on your final entry sheet.
- Ammunitions of overseas nationals are not allowed to import except for ammunition for the air gun. Athletes must purchase ammunitions which are sold at the competition venue. In case athletes import ammunition, it will be discarded at the airport. In this case, participants must bear the fee of discarding. Ammunitions purchased at the venue needs to be used at the venue, and remaining ammunitions will be collected or discarded at the venue. Furthermore, participants are not allowed to bring back ammunitions when departing from Japan.
- The price and kinds of ammunition which are sold in the competition venue will be published once they are determined. Ammunition for the air gun will be sold at the venue too. As for the payment, we only accept cash (Japanese Yen).

② Rules on transportation and storage

[Domestic athletes]

- Each athlete must carry his/her own firearm and ammunition and take special care for transportation, carriage and storage.

[Overseas athletes]

- Oversea nationals must follow the procedures specified by the organising committee of the Games which include a permit of possession of firearms and importing and exporting their firearm, transfer • storage • purchase of ammunition while they stay in Japan.

* Due to the procedures, overseas athletes must use the Kansai International Airport (KIX) for arrival in and departure from Japan. Enter to and depart from Japan from other airport is not allowed.

* No transportation for athlete. Athletes need to arrange transportation by

themselves between the airport to the venue.

(3) Insurance

The organiser will subscribe to accident insurance for participants, but this insurance is applicable only to “injuries incurred during the competition in the competition venues” of the “competition participants and persons related to the competition”, and does not cover all kinds of risks during the competition. Therefore, all persons taking part in the competition are requested to subscribe to required insurance at own risk and costs.

* Check [World Masters Games 2021 Kansai Participation Terms and Conditions](#) for detail.

(4) Doping Control

① The doping control in accordance with the [World Anti-Doping Code](#) and [the rules of the International Masters Games Association](#) shall apply to this competition.

② Anti-doping activities (doping inspections and anti-doping education activities) shall be conducted in accordance with [the rules of the International Masters Games Association](#).

③ Participants are deemed to have agreed to be subject to doping control procedures in accordance with [the rules of the International Masters Games Association](#) upon entry to the competition. Participants are advised to check [the rules of the International Masters Games Association](#) Rules for more details.

④ This competition aims to promote anti-doping activities as an activity to protect clean sports and clean athletes in order to leave various values of sports to the next generation through sports in cooperation with the Japan Anti-Doping Agency.

(5) Procedure for Bad Weather

The completion will be held in light rain. Provided, however, that the competition may be cancelled if the competition chairperson finds it difficult to hold the event due to a disaster, etc.
